ZZ99 9ZZ

Description

If you care about the environmental and facilitating sustainability using natural and recycled materials in art and photography this course is for you. The art and environment come together in many ways and you will discover just how.

This course will be delivered virtually online LIVE. To participate you will need, a laptop, tablet or PC with webcam a microphone, internet connection with Google Chrome browser, an email address and be able to access websites.

What Qualification/level is this course?

This online course is for personal development and does not lead to a qualification

Who is the course for?

This course is for anyone who enjoys getting outdoors and exploring the environment. You will improve your art and photography skills in an eco friendly way.

No previous experience needed.

What can I expect to learn?

You will learn -

How to create art with rubbish and recycled materials that become part of our environment.

How the environment is impacted by art.

How the environment and art can come together.

How to look for art in the environment using letters, colours, shapes, texture and pattern.

How will I learn?

The course will be delivered online LIVE via weekly webinars.

How will I know how well I am doing?

You will set up a virtual sketchbook and will receive feedback from the tutor throughout the course.

Will I have to do any work at home?

The course is being delivered remotely but you will be encouraged to practice your skills and collect resources outside of the session.

What will I need to provide?

You will need -

Camera, Smartphone or iPad

Some cheap recycled materials and rubbish

To participate in this online course, you will need a laptop, tablet or PC with webcam, a microphone, internet connection with Google Chrome browser, an email address and be able to access websites.

Are there any other costs?

Costs will be limited depending on the projects chosen but you will be able to use rubbish and recycled materials.

What can I do next?

ACL offer a wide range of other courses.
