# A Chord-ial Introduction to Music

## Course Code

DSSOL31Y20

## Time and duration

Start Date: 21 December 2020

Start Time: 10:00

Lessons: 32

Weeks: 32

Hours: 64.00

## Location

Online

ZZ99 9ZZ

## Description

Explore how to play music on different instruments through learning about chords. To participate in this course, you will need a laptop, tablet or PC with webcam, a microphone and speakers, internet connection with Google Chrome browser, an email address and be able to access websites.

## What Qualification/level is this course?

This online course is for personal development and does not lead to a qualification

## Who is the course for?

This course is suitable for any level.

## What can I expect to learn?

By the end of this course you will be able to:

- Use chords to play simple pieces of music.

## How will I learn?

You will be working independently at a time and place that suits your needs. You will be accessing a range of learning materials and resources from our online learning site. The session will be interactive and available to engage with multiple times to equip participants with a range of tools for immediate application in their practical projects.

## How will I know how well I am doing?

There is a self-assessment quiz included within the course for you to gauge your achievement.

## Will I have to do any work at home?

As a single session online course there is no requirement for additional homework, however further practise of the techniques delivered will increase your skills. There are also further reading suggestions made if you wish to broaden your understanding of this subject.

## What will I need to provide?

You will need to have access to a computer, laptop or other device that can utilise video and sound files to be able to access the course.

In order to be able to gain the full benefit from the course, it would be beneficial to have your own ukulele, guitar or keyboard

## Are there any other costs?

No. Reference will be made to a range of supporting texts which learners may wish to access for independent study however these are not essential to the programme.

## What can I do next?
