- Witham
- Essex
- CM8 1EP
- 0345 603 7635

**Description**
This one day session will provide knowledge, understanding and skills to support numeracy development.

**What Qualification/level is this course?**
This session supports STLS LEVEL 3 unit 312
It will provide knowledge and understanding to support numeracy development. This includes the national framework for mathematics.

**Who is the course for?**
The session can be accessed as enrichment for ACL level 3 teaching assistant apprentices and by individual professionals supporting pupils with mathematics.

**What can I expect to learn?**
The one day session aims to provide a professional development opportunity for practitioners working in schools and colleges focusing on:

- Supporting pupils to develop numeracy skills
- Supporting pupils in using and applying mathematics.

**How will I learn?**
Teaching methods include tutor presentations, supported by tutor handouts, group and individual activities, peer discussions and critiques, with use of information and learning technologies where appropriate.

**How will I know how well I am doing?**
Your tutor will give you feedback on classroom activities and tasks undertaken.

**Will I have to do any work at home?**
Learners will be directed to optional further reading and independent research.
What will I need to provide?

Paper, pens & folder to keep your work and any handouts.

Are there any other costs?

No, however your tutor may recommend further reading, research and/or websites for further independent exploratory learning.

What can I do next?

Your tutor will be pleased to discuss other courses that might assist your progression in this subject.
